Gift Form

Your gift to Community Cancer Foundation will go towards the promotion of cancer education and awareness in our South Bay Community. By giving to the Community Cancer Foundation, you will know that your money is being used in our community, for the betterment of medical professional and patient education on the different types of cancer, the different treatments available for treatment of specific types of cancer and the latest advances in treatment. You will also be assured that forms of cancer that do not receive attention from the media will also be discussed and will contribute directly to the peace of mind of patients and their family members who are left in a void of knowledge.
